## **NEWSLETTER 35 – 18<sup>th</sup> June 2021**

Dear Parents, Pupils & Governors,

**Science Fair** - Over the half term break, children were invited to participate in our Science Fair by doing their own science experiment at home and making a display of their findings. The entries were amazing and the children chose really interesting questions to investigate. The experiments were well planned and the results creatively presented - we definitely have some budding scientists at our school! Congratulations to our Key Stage winners Jackson, Ava and Melissa. Miss Eyles, our science co-ordinator would like to thank every child who has taken part, as well as their parents and carers for helping them with the projects.

**Amazon Topic** – Children in Years 5 and 6 have been exploring the complex issues surrounding deforestation as part of their topic work on South America. They produced some fabulous information pages and have displayed their work in their own imaginative way.

**Sports Enrichment** – The Reception children thoroughly enjoyed their sports enrichment and wellbeing day on Wednesday. They particularly enjoyed the street dance session.
