Trip to the Motor Museum - As part of their topic on 'Transport', children in Year 1 and 2 had an amazing automobile adventure this week visiting the British Motor Museum at Gaydon. Pupils saw Royal cars, a 100 year old bus that they were able to sit in and saw a Mini made of Lego bricks.....just under 30,000 of them! Children learnt about aerodynamics and friction and how to build the ultimate car!

King Charles III Coronation - This week the children across the school have been learning about the King's coronation. To celebrate this event the children have enjoyed dressing up, having a celebration treat and also writing about what they would do if they were King for the day.
