

Bidford on Avon Primary School

Open Evenings

Are you looking for an exciting and successful school for your child?

Come and see how our children enjoy and develop their learning with our creative, exciting and stimulating curriculum.

We always enjoy showing prospective parents around our school. This year, due to the Covid-19 situation, arrangements for our Open Days will be different. Parents will be able to visit our school in the evening by appointment.

Tours will be in groups of four and we request that only one parent from each family come along. Sanitiser will be provided for you, and parents should wear a face covering whilst in school. We will need you to provide contact details on arrival as part of NHS Test and Trace (details on how we process this information is in our privacy notice on the school website).

Open Evenings will be held in October on Tuesday 13th & 20th and Wednesday 14th and 21st at 5.30pm, 5.45pm, 6.15pm & 6.30pm

Please call us on 01789 773201 to make an appointment.

We look forward to welcoming you to our school.

'Pupils thrive at this school. There is a murmur of excitement in every classroom as pupils join in eagerly with activities'

– OFSTED January 2020
