

# Home learning tasks for Reception

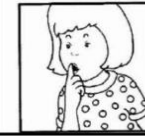

Remember to try and read as much as possible. This could include reading signs whilst out on walks, reading magazines and stories books you have at home.

Please read to your child as well as encouraging them to read to you.

sh

**Action**  
Place index finger over your lips, and say sh, sh.

ch

**Action**  
Pretend to be a steam train moving arms like the piston rods, saying ch, ch, ch.

QU  
qu

**Action**  
Make a duck's beak with hinged hands, and say qu, qu, qu...

## Maths

This week focus on number recognition- can your child recognise numbers 0-5, 0-10 or 0 - 20?

(If your child can do this already, practise forming number 0-20 correctly)

Here are some ways to practise number recognition:

- A number hunt, the adult writes the numbers somewhere for the child to go and find. This could be outside on a fence with chalk or on sticky notes around the house.
- Dot to dot, the children need to say the number as they draw the line.  
<https://www.twinkl.co.uk/resources/daily-routine/indoor-play-activities/wet-play-dot-to-dot-Sheets>
- You could get the children to identify numbers as you go on a walk, using doors numbers, numbers off a registration plate of a car etc.
- Play snakes and ladders

Useful websites:

## Literacy

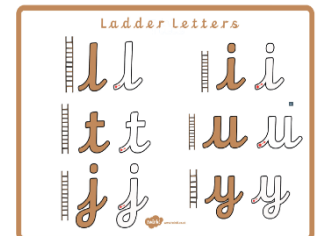

### Handwriting

Practise forming Ladder Letters correctly. Think carefully about the height of each letter. Can you think of any words you could write with Ladder Letters in?

### Keywords

**I, the, no, go, to, into**

Sprinkle a little magic into your children's day. Take a white crayon and write the tricky words on a piece of paper, hand your child some watercolour paint and watch their amazement when they discover secret tricky words coming up out of nowhere. Get them to tell you the tricky word. If your child can, ask them to use it in a sentence or even spell it without looking.

### Phonics

**qu, ch, sh**

Can you find these sounds in your books? Have a go at writing words with them in eg. quiz, chin, shop, can you think of any more words with these sounds in? When you are out and about, see if you can spot any.
