

Home learning tasks for Reception

Remember to try and read as much as possible. Have you thought about writing a sentence somewhere for the children to find and once they have found it they have to read it aloud. How about reading some words off the food labels in the cupboards or reading your shopping list.

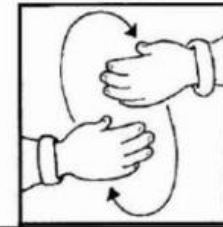

Please read to your child as well as encouraging them to read to you.

- Let the children help you to lay cutlery in 2's.
- Use the hundred square or make your own and colour in counting in 2's. <https://www.topmarks.co.uk/learning-to-count/paint-the-squares>

Literacy

Handwriting

Practise writing your full name- look carefully at the letters in your name. How many letters in your first name? How many in your surname? How many letters altogether in both your names? Remember to use the cursive writing you have been practising.

Keywords

So, do, one

Get messy, write your tricky words in some shaving foam on a surface. If you don't want to use your finger, why not use a cotton bud or something similar. Write or tell your grownup a sentence using the three tricky words for this week. Eg. I wanted a cake so I went to buy one.

Phonics

ure, er - pure, mixer.

Write out some words with ure and er in and ask the children to sort them into the right sounds.

Using playdough or paint, can you make / paint the new sounds for this week nice and big.
