Reception Maths Home Learning - Doubles

Below you will find a range of different activities to practise doubling numbers.

Roll two dice. Score a point each time you roll a double number. If you do not have any dice at home you can draw spots on squares of paper and take two at a time out of a pot instead.

If you have a set of dominoes at home see if you find all the doubles. Have a go at writing the double addition number sentences.

$$3 + 3 = 6$$

$$4 + 4 = 8$$

Create some lady birds with the same number of spots on each wing.

Collect 3 leaves outside. Collect 3 more. How many do you altogether?

Collect 6 sticks. If you found 6 more how many would you have altogether?

Try other problems like these.
