

English

- Write a postcard from the Titanic as you prepare to go on its maiden voyage.
- Write about what the accommodation was like for the passengers aboard the Titanic. Suggest any changes you would have made.
- Write a newspaper report about the sinking.

(All writing tasks are from Purple Mash)

Science

- Find out why some objects float while others sink.

- But for exercise you can't go wrong by doing Joe Wicks' workouts!

ICT

- Complete any of the writing tasks on Purple Mash - search Titanic.
- Draw a picture of the Titanic using the Transport Paint Project in Purple Mash.

History

Make a timeline of the history of the Titanic. Include all the major events and dates, e.g. its construction, the ports it visited on its Maiden Voyage, its journey across the Atlantic, crashing into an iceberg and sinking.

Geography

Research icebergs: Can you find out where they occur, what they are made from, why some are blue and what types of iceberg there are.

Maths

The Mauretania was the world's largest cruise ship before the Titanic. Make a comparison between them - research the specifications and work out the difference between them.

E.g. Length
Mauretania 241 m
Titanic 269 m
The Titanic was 28 m longer.

Music

There was plenty of live music on board, from a whole orchestra to solo pianists. For background music, while you are working, listen to BBC3 or Classic fm.

Can you name the different sections of an orchestra and the instruments?
