Science

Evolution and Inheritance

In this unit children extend their knowledge of the way in which plants and animals in different habitats depend upon each other and are suited to their environment.

History

Ancient Greece:

In this unit, children will learn about how the way people lived in the ancient Greek empire. They use a range of archaeological and written sources, select and record information, and interpret the past in different ways, particularly the Elgin Marbles.

Year 5-6

Autumn 2026

Ancient Greece

We will be holding a topic day on the week commencing **7th September**. This will be a day where children are invited to dress up as an Ancient Greek person and partake in various 'Ancient Greek style' activities: pottery, the Olympics and food tasting.

Geography

Greece:

Children locate Greece on a map and compare and contrast geographical features of the UK and Greece.

Art

Drawing: Greek Columns children will explore tone to create 3D form.

R.E.

Who is Jesus?

Children will learn how different people and religions understand who Jesus is and why he is important.

P.E.
